Gabler Pianos

are strong, solid and lasting. Like the violin they improve with usage. Durability is a claim made for all pianos, but it is the chief merit of the Gabler Pianos. There are

40,000 in Use

now, and there would not be so many were not the Gabler remarkable for tone, touch and finish as well as for durability. Listen to it and learn its excellence. We are sole representatives for the Steinway Piano.

A SWING FREE.

Messrs. Tarr & Templin will shortly issue a folder to advertise the merits of the "Templin Swing," which they are now manufacturing for the Spring trade at their planing mill in this city.

To the child 15 years old or under who will furnish them the best advertisement for their folder, or the one they will accept for same, will be presented with one of their best and nicest swings, free of cost, delivered at their home or R. R. station.

The folder will be 3x5 1/2 inches, and three or four pages will be given to the aforesaid advertisement.

All children contesting for the swing must bring or mail the work on or before April 5th, 1897.

The swing will be delivered to winner on May 1st.

Parents and contestants are invited to call at the planing mill and see this novel and pleasing swing, where any information will be gladly given.
